Historical Society

PROJECTS AND ACTIVITIES

Patio

A plan and cost estimate was presented by Vern. After discussion it was decided to revisit at our next meeting with an alternative design.

Memorial Park Sign

Sign erected by the Jaycees, Working with the city on temporary status. Roof will not be installed and sign will be raised to top of columns.

In view of the poor attendance it was suggested another meeting time and day might be appropriate. Please forward your thoughts on that. Also in as much as we are in the planning stage it was decided to hold off on the next meeting until after the first of the year. Unless we come to an agreement as to a different time and day the next meeting will take place on Jan. 5, 2019.
