Patio

It was discussed and decided members of the Legion Club and the Sportsman Club will meet in the next couple weeks. They would establish two plans for the construction of the Patio. Those plans will be presented to the city council at their meeting on March 6th Once approval has been given construction will take place in April or as soon as weather permits.

Memorial Park Sign

Sign erected by the Jaycees, Working with a contractor to raise the sign to the top of the columns.

Future Meetings

It was decided future meetings of all members of the Committee will be canceled for the immediate future. In lieu of those meetings, each group will be asked to meet on their own and establish a plan to complete their projects. As those plans are established they will be reported back to the entire committee. The goal would be to have everything in by mid-April. Once the plans are in we will hold a meeting of all members in May.
