LETTER TO LOCAL BUSINESSES

With comments received from committee members, Kastens will prepare a second draft of the letter to send out to the local businesses; also including in the letter a statement that if there are any questions, to please direct them to the Holiday Committee. Also recommended that a copy of the letter should be sent to the Fire Department. The committee decided that the letter should go out by the end of July. Keller made the suggestion that follow up telephone calls should be made to the businesses after the letter is sent.

AREAS OF FOCUS:

Committee would like agreement from the Council that at this time the focus for decorating will be at Memorial Park, Boniface Field and Missile Park. Downtown would be in the future, but hopefully the businesses will take part in decorating.

There is \$3800 in the decorating fund. It was discussed that at a minimum lights could be purchased. Committee would look to Public Works to help with hanging lights.

OLD DECORATIONS:

Committee members will look at the old decorations during the Park Tour scheduled for May 31 and will take pictures for anyone unable to attend.
