Missile Park Gardens – Keller had someone cleanup the centerfield garden and he will also get someone to look at the garden by the Missile. He thinks garden under the sign will have to be done differently for next year as when mowing all the grass is thrown on it because the grass cannot be thrown out onto the street.

Batting cage at Missile Field had some concrete work done. The step going into Missile Park has been stabilized as a temporary fix.

Commission pleased with progress that Public Works has made on the Park Tour list since May.

Again, Commission will review parks in spring for future plans of playground equipment, repairs/additions.
